schools

WIPE THEM OUT FOR GOOD

WIPE OUT CHARTER SCHOOLS AND ALL THAT THEY STAND FOR.

MAKE SURE YOU, YOUR FAMILY AND YOUR FRIENDS VOTE TO REJECT R-55.

WIPE OUT BAD POLICY

Legislators trying to
defy the voters by
creating charter
schools instead of
funding smaller class
sizes and quality
educators.

WIPE OUT BAD POLITICS

Billionaires trying to
buy elections in order
to create a separate
and unequal charter
school system.

WIPE OUT HARMFUL CUTS

Charter schools paid
for by taking money
away from our public
schools — causing real
cuts that really hurt
kids and educators.

Every vote to REJECT is a vote to PROTECT our schools!
